24/2

Sir,

I have the honor to state that a large sum of money is being spent on the repairs to Travellers' Bungalows and Musafirkhanas from year to year and the need for furnishing them adequately is also engaging the attention of the Board.

The rates for the occupation of these buildings were fixed long ago and a revision appears to be called for in view of the changed conditions of the times.

The question of revising the existing rate of fees came up for the consideration of the Board at their meeting held on the 1st and 2nd February 1928 and after a detailed discussion, it was resolved as follows:--

1. that the rate of fees to be levied for the occupation of 3rd class T.Bs. be ~~revised~~ raised from 4 as. to 6 as. per diem per suite of room in the case of well furnished bungalows.

2. that no fee be levied for the occupation of musafirkhanas for one day.

3. that a fee of 2 as. per diem per room be levied thereafter (including the 1st day of occupation) of musafirkhanas which are not well furnished,

4. that a fee of 4 as. per diem per room be levied in the case of musafirkhanas which are well furnished,

the President being authorised to notify from time to time the T. Bs. and Musafirkhanas to which the enhanced rates would be made applicable.

I

I am therefore submitting herewith a copy of their resolution in the matter and request that sanction of Govt may be kindly accorded to thgresolution of the Board at an early date.

I have the honor to be,
Sir,
Your most obedient servant,

S [signature]
For President.
